## **Recent Reports & Publications Indexes**

Heritage New Zealand maintains the Digital Library of consultancy reports, which has now gone online. Reports can be downloaded directly (until now you had to email a request). You can find and search the library at:

The New Zealand Archaeological Association also maintains an archaeological report library. Scans of this collection have been included in the HNZ Digital Library. The NZAA Central Filekeeper is Mary O'Keeffe, who will also have responsibility for this collection.

## **New NZAA Central Filekeeper**

NZAA, HNZPT and DOC are delighted to announce that Mary O'Keeffe has been appointed as the new Central Filekeeper. Mary will be well known to many of the membership. She has worked as an archaeological consultant in Wellington for over 20 years, and has had a long involvement with the Site Recording Scheme (SRS), stemming back to the late 1980s. From 1996 until 2007, Mary managed the SRS whenever Tony Walton (then filekeeper) was on leave, and looked after it after Tony's death.
