Recent Reports & Publications Indexes

Heritage New Zealand maintains the Digital Library of consultancy reports, which has now gone online. Reports can be downloaded directly (until now you had to email a request). You can find and search the library at: <https://www.heritage.org.nz/protecting-heritage/archaeology/digital-library>

The New Zealand Archaeological Association also maintains an archaeological report library. Scans of this collection have been included in the HNZ Digital Library. The NZAA Central Filekeeper is Mary O'Keeffe, who will also have responsibility for this collection.
