#### Site Scheduling:

On 7 May Council accepted with regret the resignation of Dr R. C. Green as convenor of the Scheduled Sites Sub-committee. Council thanked Dr Green for his very considerable contributions towards the setting up and smooth running of the scheme.

Consequent on Dr Green's resignation, Council appointed Mr B. G. McFadgen as Sites Scheduling Officer with the functions of the former sub-committee. In future, however, all matters of policy will be handled by Council as normal Association affairs.

At the Annual General Meeting the site scheduling scheme was referred to Council for re-examination. When this has been done, action to obtain better protection of sites will be decided upon, and members will be invited to submit any recommendations for the scheduling of sites.

#### Handbook to Field Recording:

Council decided to proceed with the publication of a handbook for site recording, and has asked J. R. S. Daniels to edit it. This will replace the Monograph number one which has long been out of print, and is expected to be published by the end of the year.

#### Annual General Meeting and Conference:

A selection of the papers presented on the Conference theme - Salvage Archaeology - will be published in the September issue of the NEWSLETTER, under the editorship of Dr R. C. Green.

Officers and Members of Council elected:-

President:	Mr F. W. Shawcross, Anthropology Dept. Auckland.
Vice-President:	Dr G. Blake-Palmer, 50 Central Terrace, Wellington. Mr R. Scarlett, Canterbury Museum, Christchurch. Mr R. A. L. Batley, Taihape.
Secretary:	Miss J. Davidson, Museum, Auckland
Treasurer:	Mr D. W. Robinson, Box 154, Hawera
Members:	Dr R. Duff Mr D. Simmons Mr L. M. Groube Mr B. McFadgen Mr I. W. Keyes

The application for membership form which has been subject to recurring discussions in Council meetings was placed before the meeting and the alterations were approved. The essential wording of the form will appear in the next issue of the NEWSLETTER.

It was announced at the AGM that an H. D. Skinner Fund is to be set up by the Royal Society as a memorial to one of the pioneers of New Zealand archaeology. Dr Skinner was able to travel from Dunedin for the Conference and thanked the Royal Society with a few memorable words. The purpose of the Fund will be to provide research scholars with the means of exploring some avenue of Polynesian history and pre-history. The Fund will be jointly administered by the Royal Society, the N. Z. Archaeological Association and the Polynesian Society. There will be an appeal for contributions in the near future.

The Annual Meeting took the opportunity of saying farewell to Dr Green who leaves New Zealand early next year to take up a position in Honolulu.
