Upcoming Conferences

2016 NZAA Conference

The 2016 annual NZAA Conference will be located at the Ukaipo Rangitane Conference Centre, Blenheim from 22-25 June 2016. Our hosts during the conference will be Rangitāne o Wairau with a special field trip planned to visit Wairau Bar, a site of national importance on 24 June. This conference offers anyone interested in the history and heritage of Aotearoa a once in a life time opportunity to see Wairau Bar, hear the korero by tangata whenua and learn about recent archaeological research.

We will soon be calling for proposals of papers and posters on all aspects of New Zealand and Pacific archaeology, but encourage prospective participants to consider offerings that focus on current/recent research in the Marlborough area and South Island. We will also have a Student Paper session in which current students and recent graduates can present aspects of their academic research. The annual dinner and graduate lunch will also be held. Further information about the conference will be available in the coming weeks. A Also, if anyone is interested in helping with the conference and volunteering some time please contact Conference Coordinator Brooke Jamieson (conference@nzarchaeology.org).

2016 ASHA conference

The 2016 ASHA conference will be held in Christchurch, New Zealand, from 28 September to 1 October. The conference will take place at Chateau on the Park, 189 Deans Avenue, Christchurch. As part of the conference, attendees will have the opportunity to take a field trip to Ōtamahua/Quail Island in Lyttelton Harbour, site of a ships' graveyard, an early 20th century leper colony and where Shackleton and Scott both trained and quarantined dogs and ponies before their Antarctic journeys. Registration information will be available later in the year.
