

OBJECTIVES

As a field and school-educated osteologist and trained curator, I wish to be part of community that employs enthusiastic individuals such as myself, as part of its staff. I wish to use my skills so that I may expand my horizons and work with one of my passions. I am creative, intelligent, hard-working, and motivated, and I will do whatever is necessary to continue on this path.

BASIC QUALIFICATIONS

- Nine (9) years experience in archaeological identification
 - Research specifically in human and faunal skeletal remains
- Nine (9) years in analytical research, laboratory analysis, and field tests
- Eight (8) years as an Archaeological Technician
- Two and half (2.5) years of CRM experience
 - Techniques in imaging, photography, biological analysis, trace evidence, taphonomy, and forensic materials
- Three (3) years of curation experience (WWII and Southern Pacific)
 - Multiple ideas for displays
 - Acquired multiple artifacts (donated or loaned)
 - Consultant amongst local education establishments and general public
 - Knowledgeable docent

ADDITIONAL QUALIFICATIONS

- MSC in Osteoarchaeology
 - Archaeology, Zooarchaeology, taphonomy, forensic analysis
- BA in Anthropology
 - Forensic anthropology, osteology, taphonomy

EXPERIENCE

REDHORSE CORPORATION

APR 2017-Present

- DPR report writing of prehistoric lithic tools and debitage as well as historic artifacts.
- Measurement of Adobe Structures
- Use of Trimble ArchGIS

EPSILON SYSTEM SOLUTIONS

FEB 2016-AUG 2016

- DPR report writing of prehistoric lithic tools and debitage as well as historic artifacts.
- Phase I survey and site recordation of prehistoric and historic artifacts.
- Use of Trimble ArchGIS
 - Finished Projects
 - POAM
 - FOTS
 - 3/5 Impact
 - Cuddebak
 - Etcharren Valley

VENTURA INTERPRETIVE OUTREACH PROGRAM

MAR 2015-Present

EDUCATION

Masters of Science, Osteoarchaeology, University of Sheffield

2013-2014

- Completed Dissertation [Thesis]
 - MSc Osteoarchaeology Dissertation [Thesis]
 - Subjects include America, Europe, and Pacific Islands
 - Class Representative 2013-2014

Bachelor's Degree, Anthropology, University of Central Florida

2008 – 2010

- Activities and Societies
 - UCF Anthropology Society 2008-2010
 - Central Florida Anthropology Society 2008-2011
- Honors
 - Won the [Showcase of Undergraduate Research Excellence](#) Scholarship; **2009**
 - Project in developing a GIS system to search for earthworks and create more accurately updated maps of the northeastern Bolivian Amazon known as El Beni.

ADDITIONAL SKILLS

- Bone Identification
- Communications
- Analytical
- Research
- Illustrator
- Public Speaking
- Presentations
- GPS
- GPR
- GIS
- Critical Thinking
- Investigations
- Strong Work Ethic
- Collaboration
- Team Work/Member
- Photography
- Archives
- Microsoft Office Suite (Word, PowerPoint, Excel, Access, Outlook, OneNote)
- Preservation
- Travel
- Living Abroad
- Detail Orientated
- Field Work
- Archaeological Tools
- Field School
- Leadership
- Trimble ArchGIS
- Archaeological Technician
